

Comfort

Unite back supports

Combining two trusted brands
for one back solution.

Tailor your fit with adjustable
components.

Find the optimal back support for
maximum positioning and stability.

Learn more about the Seating & Positioning
options available from Permobil.

Innovative technologies available

- Mouldable stays: personalised support that contours to you
- ROHO® inserts: adapt to the body’s shape for pressure redistribution and immersion
- GlideWear™ technology: reduce shear forces and provide breathability for microclimate control

ROHO AGILITY Active Series Aluminium & Carbon Min and Mid back supports remain available.

ACTA-Relief remains available with a new name (Comfort Relief) and upgraded components.

ACTA-EMBRACE remains available with a new name (Comfort Embrace) and upgraded components.
